

# *Retrofit for the Holidays!*

These simple tips can help you save water and lower your bill this holiday season:

- Replace bathroom and kitchen faucets and aerators with high efficiency WaterSense models
- Install a WaterSense labeled shower head
- Check your toilet for leaks and replace your flapper
- Replace older toilets with efficient WaterSense labeled models

If your home was built before 1993, you may qualify for our toilet retrofit rebate program. Find out more on our website at:

[http://water.cobbcountyga.gov/Files/Ef\\_ToiletRebate.html](http://water.cobbcountyga.gov/Files/Ef_ToiletRebate.html)

To request an indoor retrofit kit with FREE water-saving materials (including shower head and aerators), contact the Water Efficiency Office at **770-419-6244**
